

SUBMISSION GUIDELINES

HOW TO REGISTER AND SUBMIT

Go to www.vectorworks.net/creativeminds

Click on the left navigation tab "Register and Submit"

Fill out the registration form and submit your .zip files.

Files must be zipped together and submitted as a .zip file. Submissions should have the following naming convention:

First initial_Last name-Month of submission.zip (for example: R_Siddiqui-April.zip) OR

Group Name-Month of submission.zip (for example: Team A-May.zip)

There is no fee to submit to the competition.

SUBMISSION REQUIREMENTS

Submissions must be a single 24" x 36" board in PDF form. Board must include, at minimum, one image created in Vectorworks. This can be a rendering, exploded axon, perspective, plan, elevation, and section – any drawing type.

Or Vectorworks can be used to compile and layout all other sketches, drawings and images for the board.

In addition to your PDF, you must also submit a Vectorworks file (.vwx).

Files must be zipped together and submitted as a .zip file.

Other software and technologies can be used IN ADDITION to Vectorworks for other images on your board. Your board can also include sketches and other hand drawings.

We encourage the use of multi-media.

Your interpretation of the theme can go as far as your thoughts take you. Everyone will have a different interpretation of the theme – some may be contradictory. This is encouraged in order to promote a dialogue of ideas. Your design response may be positive or negative to the theme.
